

Reflections

A caring, learning community.

Thames Valley D.S.B.

The best Professional Development is what happens after the session. As we focus on improving our system, please identify the skills you have learned, how you will apply those skills and how you know that you have mastered the skills.

Session Name: _____

The relevant skills(s) I acquired in this training session are...

-
-
-

As a result of participation in this training session, in my current role I will specifically apply the following skills...

-
-
-

I will know that my application of today's learning has been effective because I will (be specific about the changes you will see in your work / the impact on your work)...

-
-
-

Please submit if you would like a certificate of recognition for completion of this training.
Reflections will be returned for your reference.
