B1.0	DELIVERY REQUIREMENTS		
B1.1	In the past, the TVDSB carried the majority of these products in inventory and ordered in large quantities shipped directly to our Distribution Centre. The TVDSB has made a decision to eliminate inventories. Therefore, the products requested on this bid will be shipped directly to our schools and departments. A list of locations is shown in Worksheet E.		
B1.2	In order to meet any minimum order stipulation, we may combine orders from different sites for delivery to our Distribution Centre at 951 Leathorne Street in London. Those orders would be labeled in the "ship to" portion of our purchase order as "Wrap and Label Care of Distribution Centre". Our expectation is that these shipments will arrive packaged and labeled PER SITE, ready for us to forward directly to the school with no further packaging or resorting required.		
B1.3	Bidders must state their minimum dollar value per order.		
B2.0	CATALOGUE REQUIREMENTS		
B2.1	The quantities shown in Worksheet C and D are for a one (1) year period, based on our usage from the 2009 school year. Worksheet C and D are a sample list of product requirements. This pricing will be used in the evaluation of bid submissions and bidders should complete both worksheets.		
B2.2	The successful bidder(s) will be required to submit an electronic file (.xls, .txt, .123, or wk4) with their entire product listing to be used for ordering purposes by the TVDSB.		
B2.3	This electronic file must contain one record for each item in the bidder's catalogue:		
B2.3.1	Field #1 Catalogue/Part Number		
B2.3.2	Field #2 Unit of Measure		
B2.3.3	Field #3 Unit Price (NOTE: Prices must be net prices for the TVDSB and must reflect discount)		
B2.3.4	Field #4 Page Number in your Catalogue		
B2.3.5	Field #5 Description		
B2.4	All discounted catalogue pricing must be reflected in Worksheets C and D.		
B2.5	Bidders must state the discount, as a percentage, off the prices shown in your catalogue.		
B2.6	Bidders must submit a catalogue illustrating and listing their complete product range. The successful bidder(s) must provide a catalogue for each of our 187 schools.		
B2.6.1	The catalogues can be sent in bulk to our Distribution Centre at 951 Leathorne Street, London, Ontario for distribution to our schools.		
B2.7	The Board reserves the right to sample the market for price comparisons to ensure competitive prices on all new products required.
