THAMES VALLEY DISTRICT SCHOOL BOARD

- ELECTRONIC BIDDING INSTRUCTIONS:**
- To use our electronic bidding system, you must have the following equipment:
- 386 or better IBM compatible PC
 - Microsoft Windows version 3.1 or greater
 - 2.5 MB available hard drive space
 - 3 ½" 1.44 MB diskette drive
 - Suggested 4MB RAM minimum

INSTALLING THE BIDDING SYSTEM ONTO YOUR IBM COMPATIBLE PC:

- 1 Click on **SETUP.EXE Logo**

N.B. If the message “Unknown File Type” appears click on “**Save File**” and save as setup.exe, on the drive/directory of your choice on your system.
- 2 Go into the drive the file was saved and bring up setup.exe. This file will be saved on the hard drive under LBTender. Click on “Save”.
- 3 The bid files are installed into a directory called C:\LBTENDER. The installation process also creates a program group called LBTender and an icon labelled Tender.
- 4 To start the Bid Program double click on the Tender icon.

USING THE BID SYSTEM:

- 1 You **MUST** answer all questions on the Company Information screen before you can proceed to the next screen.
- 2 You can then enter your bids and answer the questions on the Bids for Tender screen.
- 3 **Please note:** on the Bids For Tender screen you may use the Enter Key (instead of Tab) to move between fields and the up/down keys (instead of mouse/scroll bars) to scroll through lists.
- 4 If you do not wish to bid on an item, **do not** enter "NO BID"; just ignore that item and move on to the next. If you add a bid in error, you must enter a price - \$ 0.00 is not valid. Then “delete” the bid.
- 5 Use the Bid Report Option on your menu to create a report showing your bids.
- 6 After entering all your bids you must select Diskette Creation to copy data files to a diskette.
- 7 To exit LBTender you must use the **EXIT** prompt not the “X” on Windows 95.

NOTE: IF YOU DID NOT BID ON ANY ITEMS REQUIRING AN ANSWER, A MESSAGE WILL APPEAR "**NO ANSWER RECORDS FOUND**". PRESS "OK" TO CONTINUE.

- HELPFUL HINTS:**
- To print a hard copy of this tender, print Filename 1998. . . R.TXT. This file must be printed before "Diskette Creation" as it is removed from hard drive during creation of diskette. If you wish to retain this file, copy it onto your hard drive or to a separate diskette and rename file.
 - We strongly recommend as soon as you install on system, that you enter one or two bids and then try to print a Bid Report and Create a diskette. This may avoid any printing or diskette problems at the last minute.
 - If the file is removed in error it can be reloaded from ETN but it will be necessary to start over, as previously entered bids will be copied over.
 - The "Help" section may be referred to at any time while using program.
 - Print Terms Sheets (TERMS.PDF) A signed copy must be returned in order for your bid to be accepted.
 - Once this program has been loaded to your hard drive do not run setup.exe again as it will overwrite the files and your bids will be lost.

RETURN OF BID: Copies of tender, terms sheets, along with signed, printed copy of bids report and signed diskette are to be returned in an envelope addressed as follows to the Tenders Clerk for your bid to be accepted:

Office of the Tender Clerk, Thames Valley District School Board, Education Centre, 1250 Dundas Street, London, Ontario, N5W 5P2.

See Tender Terms Sheet for Return Date.
