 2012 REQUEST FOR PRE-QUALIFICATION OF  
 MASONRY RESTORATION CONTRACTORS  
 WORKSHEET A - TERMS AND CONDITIONS

TERM NO.	TERMS AND CONDITIONS	WILL COMPLY/WILL NOT COMPLY ACCEPT/DECLINE	COMMENT
2.1.7.1	A deviation between the requirements (terms, conditions, specifications, special instructions) of a pre-qualification response for the purposes of this Pre-qualification; pre-qualification irregularities are further classified as major irregularities or minor irregularities. The classification of what is a major irregularity or a minor irregularity shall be in the sole discretion of the TVDSB.		
2.1.7.2	Major Irregularity: A deviation from the pre-qualification request which relates to information that is material to the determination as to whether a contractor should be pre-qualified. If the deviation is permitted, the contractor could gain an unfair advantage over competitors. The TVDSB will reject any pre-qualification submission which contains a major irregularity.		
2.1.7.3	Minor Irregularity: A deviation from the pre-qualification request which affects form, rather than substance. The effect is not material to the determination as to whether a contractor should be pre-qualified or an ambiguity that can be categorized as a clerical error where mandatory information was inadvertently not included in the submission. If the deviation is permitted or corrected the contractor would not gain an unfair advantage over competitors. The TVDSB may permit the contractor to correct a minor irregularity.		
2.2	The TVDSB may accept or waive a minor irregularity, or where practical to do so the TVDSB may as a condition of pre-qualification request a contractor to correct minor irregularity items of non compliance on any pre-qualification submissions which do not strictly comply with the provisions, procedures and requirements of this Pre-Qualification, or are incomplete, ambiguous, or which contain errors, alterations, misleading information, omissions, or irregularities of any kind, may be rejected and disqualified at the discretion of the TVDSB. All contractors agree to provide all such additional information as, and when requested, at their own expense, provided no contractor in supplying any such information shall be allowed, in any way materially alter or add to the submission originally proposed.		
<b>3.0 SUBMISSION REQUIREMENTS</b>			
<b>Pre-qualification of a contractor will be based on the contractor meeting the following requirements to the satisfaction of the TVDSB:</b>
