Beliefs:

- Students come first.
- Learning occurs best in safe, caring, respectful and welcoming environments.
- By recognizing and supporting the needs of learners, we enable them to reach their potential.
- All learners can develop into contributing citizens who are accountable to themselves and others.
- Effective and comprehensive programs and services enrich the lives of learners.
- Highly skilled, caring and motivated individuals serve as positive role models.
- Our employees are an integral part of our success and our future.
- Family and community interaction with the school promotes and enhances student success.
- Communication which is interactive, open and honest builds trust and commitment.
- We build the foundation for our future from our collective experiences.
- Our school system is strengthened by embracing diversity and celebrating creativity.
- Public education is an investment in people and community.

Our Goals

Each School Staff / Department will:

- develop a measurable goal and action plan to support the improvement of student learning;
- build staff capacity to sustain quality learning environments that enable learners to acquire knowledge and develop critical thinking skills;
- collaborate with appropriate education partners (students, parents, employees, trustees and community) to support learning opportunities;
- ensure that policies and practices align with our Vision, Mission and Values.
